# All Around the Mountain

(CHORUS)

**D**

All around the mountain and it was so cold, Honey

**Bm**

**D**

All around the mountain and it was so cold, Hey Hey

**Bm**

All around the mountain and it was so cold

**D**

You couldn't hear nothing but the car wheels roll, Hey

Standing on the corner with a dollar in my hand, Honey

Standing on the corner with a dollar in my hand, Hey Hey

Standing on the corner with a dollar in my hand

A Looking for a woman ain't got no man, Hey

One of these days and it won't be long, Honey

One of these days and it won't be long, Hey, Hey

One of these days and it won't be long

You'll call my name and I'll be gone, Hey

I got a house in Baltimore, Honey

I got a house in Baltimore, Hey Hey

I got a house in Baltimore

Forty dollar carpet on my floor, Hey

If anything happens and I don't come, Honey

If anything happens and I don't come, Hey, Hey

If anything happens and I don't come

If you kill that Dominicker save me some, Hey

What's you gonna do when the well runs dry, Honey

What's you gonna do when the well runs dry, Hey Hey

What's you gonna do when the well runs dry

Forty four pistol by my side, Hey

# All The Good Times Are Past And Gone

(CHORUS)

**G** All the good times are **C** past and **G** gone

All the good times are **D** o'er

**G** All the good times are **C** past and **G** gone

Little darling won't you **D** weep **G** no more

I wish to lord I'd never been born  
Or died when I was young  
I'd never seen your sparkling blue eyes  
Or heard your lying tongue

Don't you see that lonesome dove  
Flying from pine to pine  
He's mourning for his own true love  
Just like I mourn for mine

Come back, come back my own true love  
And stay a while with me  
For if ever I've had a friend in this world  
You've been a friend to me

Don't you see that passenger train  
Coming around the bend  
It's taking me away from this lonesome old town  
Never to return again

## Can't You Hear Me Callin' (Monroe)

**G**  
The days are long, the nights are lonely  
**C** **G**  
Since you left me all alone  
**C** **G**  
I loved you so my little darling  
**C-D** **G**  
I'm worried so since you've been gone

(CHORUS)

**G**  
Sweetheart of mine can't you hear me callin'  
**C** **G**  
A million times, I've loved you Bess  
**C** **G**  
I mistreated you lord and I'm sorry  
**C-D** **G**  
Come back to me is my request

I remember now the night we parted  
A big mistake has caused it all  
If you return sunshine will follow  
To stay away 't would mean my fall

The days are dark my little darling  
Oh how I need your sweet embrace  
When I awoke the sun was shining  
When I looked up I saw your face

# Corrina Corrina

(CHORUS)

Corrina, Corrina where you been so long  
Corrina, Corrina where you been so long  
Ain't had no loving', since you've been gone

Well I love Corrina, tell the world I do  
I love Corrina, tell the world I do  
Just a little more lovin'  
Let your heart be true

Corrina, Corrina what's the matter now  
Corrina, Corrina what's the matter now  
You don't send me no letters  
You don't love me no how

Corrina, Corrina where'd you stay last night  
Corrina, Corrina, where'd you stay last night  
Your shoes and your buttons  
They don't fit you right

Corrina, Corrina far across the sea  
Corrina, Corrina far across the sea  
If you see Corrina  
Please send her back to me

Corrina, Corrina where'd you stay last night  
Corrina, Corrina where'd you stay last night  
You come home this morning  
Sun is shinning bright

# Dark Hollow

**C** **F** **C**  
I'd rather be in some dark hollow

**C** **F** **C**  
Where the sun don't ever shine

**C** **C7** **F**  
Than to be home alone knowing that you're gone

**C** **G** **C**  
Would cause me to lose my mind

(CHORUS)

So blow your whistle freight train

Carry me further on down the track

I'm going away I'm leaving today

I'm going but I ain't coming back

I'd rather be in some dark hollow

Where the sun don't ever shine

Than to be in some big city

In a small room with you love on my mind

# Down In The Valley

(CHORUS)

Down in the valley valley so low  
Hang your head over hear the wind blow  
Hear the wind blow dear hear the wind blow  
Hang your head over hear the wind blow

Roses love sunshine violets love dew  
Angels in heaven know I love you  
Know I love you dear know I love you  
Angels in heaven know I love you

If you don't love me love whom you please  
Throw your arms 'round me give my heart ease  
Give my heart ease love give my heart ease  
Throw your arms round me give my heart ease

Build me a castle forty feet high  
So I can see him as he rides by  
As he rides by love as he rides by  
So I can see him as he rides by

Write me a letter send it by mail  
Send it in care of Birmingham jail  
Birmingham jail love Birmingham jail  
Send it in care of Birmingham jail

Sitting in prison, backs to the wall  
And the old corn whiskey, is the cause of it all  
Cause of it all, cause of it all

# East Virginia Blues

**D**  
I was born in East Virginia  
**G** **D**  
North Carolina I did go  
**G** **D**  
There I spied a fair young maiden  
**A** **D**  
Name and age I did not know

Oh her hair was dark and curly  
And her checks were rosy red  
On her breast she wore white lilies  
Where I long to lay my head

The ocean's deep and I can't wade it  
And I have no wings to fly  
I'll just get me a blue eyed darling  
For to roll me over the tide

I don't want your greenback dollars  
I don't want your watch and chain  
All I want is your heart darling  
Won't you say that you'll be mine

At my heart you are my darlin  
At my door your welcome in  
At my gate I'll always meet you  
For you're the girl I tried to win

I'll go back to East Virginia  
North Carolina ain't my home  
I'll go back to East Virginia  
Leave them North Carolinians alone

# Goin' Down The Road Feeling Bad

(CHORUS)

**G**  
I'm goin' down this road feeling bad  
**C** **G**  
I'm goin' down this road feeling bad  
**C** **G** **Em**  
I'm goin' down this road feeling bad, lord lord  
**G** **D** **G**  
And I ain't gonna be treated this old way

I'm goin' where the climate suits my clothes  
I'm goin' where the climate suits my clothes  
I'm goin' where the climate suits my clothes, lord lord  
And I ain't gonna be treated this old way

I'm goin' where the water taste like wine  
I'm goin' where the water taste like wine  
I'm goin' where the water taste like wine, lord lord  
And I ain't gonna be treated this old way

I'm goin' where the chilly winds don't blow  
I'm goin' where the chilly winds don't blow  
I'm goin' where the chilly winds don't blow, lord lord  
And I ain't gonna be treated this old way

It takes a ten dollar shoe to fit my feet  
It takes a ten dollar shoe to fit my feet  
It takes a ten dollar shoe to fit my feet, lord lord  
And I ain't gonna be treated this old way

Your two dollar shoe hurts my feet  
Your two dollar shoe hurts my feet  
Your two dollar shoe hurts my feet, lord lord  
And I ain't gonna be treated this old way

They feed me on cornbread and peas  
They feed me on cornbread and peas  
They feed me on cornbread and peas, lord lord  
And I ain't gonna be treated this old way

# High On A Mountain

**G** **F** **G**  
As I look at the valleys down below  
**G** **F** **G**  
They are green just as far as I can see  
**G** **F** **G** **C**  
As my memories return, oh how my heart did yearn  
**G** **D** **G**  
For you and the days that used to be

**G** **F** **G** **C**  
High on a mountain top, standing all alone  
**G** **D** **G**  
Wondering where the years of my life have flown  
**G** **F** **G** **C**  
High on a mountaintop, wind blowing free  
**G** **D** **G**  
Thinking about the days that used to be

Well, I wonder if you ever think of me  
Or has time erased your memory  
As I listen to the breeze  
Whisper gently through the trees  
I wonder if you ever think of me

High on a mountain top, standing all alone  
Wondering where the years of my life have flown  
High on a mountaintop, wind blowing free  
Thinking about the days that used to be

# I Wish You Knew

(CHORUS)

**E B E**

I wish you knew

**F#**

How hard I try to tell you

**E**

**B**

How hard I try to get you off my mind

**E B E**

I wish you knew

**F#**

How hard I try to sleep at night

**E**

**B**

Since I know that you're no longer mine

**E**

**F#**

**B**

Since you let another beat my time

**B**

If only half the things were true

**F#**

You said about my heart

Then I could have forgotten you

**B**

Since we've been apart

**B**

You said I forced my lips to kiss you

**F#**

When we said goodbye

You even said I forced the tears

**B**

That came into my eyes

There's not a thought that could be worse

Than knowing that you're gone

But in the picture in your mind

I'm never alone

You see me in another's arms

Just like I've been with you

But the way I cry for you each night

I only wish you knew

# I'll Stay Around

(CHORUS)

**C** For someday I know you'll want me **G**  
When your true love can't be found **D**  
**G** But if you go dear I won't follow **C**  
**D** I just think I'll stay around **G**

**G** Now you just told me that you're leaving  
On the next train coming down **D**  
**G** I love you dear but I won't follow **C**  
**D** I just think I'll stay around **G**

You know my dear I'll always love you  
And I'd never let you down  
But if you go dear I won't follow  
I just think I'll stay around

Someday you'll hear that whistle blowing  
On the special coming down  
You'll be looking for me baby  
But I may not be around

# Shady Grove

(CHORUS)

**Dm**                    **C**  
Shady Grove, my little love  
**Dm**  
Shady Grove I say  
**F**                    **C**  
Shady Grove, my little love  
**Am**                    **Dm**  
I'm bound to go away

Cheeks as red a a blooming rose, And eyes are the prettiest brown  
She's the darling of my heart, Sweetest little girl in town

Peaches in the summertime, Apples in the fall  
If I can't get the girl I love, I don't want none at all

I wish I had a big fine horse, And corn to feed him on  
And Shady Grove to stay at home, And feed him when I'm gone

Went to see my Shady Grove, She was standing in the door  
Her shoes and stockin's in her hand, And her little bare feet on the floor

When I was a little boy, I wanted a Barlow knife  
Now I want little Shady Grove, To say she'll be my wife

Kisses from pretty Shady Grove, are sweet as brandy wine  
And there ain't no girl in this whole world, Thats is prettier than mine

Wish I had a banjo string, Made of golden twine  
Every tune I'd play on it was, I wish that girl were mine

Wish I had a needle and thread, Fine as I could sew  
I'd sew that pretty girl to my side, And down the road I'd go

Some come here to fiddle and dance ,Some come here to tarry  
Some come here to fiddle and dance, I come here to marry

# Sittin' On Top Of The World

**B** **B7**  
It was in the spring one sunny day  
**E** **B**  
My good gal left me Lord she went away

**G#m**  
And now she's gone but I don't worry  
**B** **E** **B**  
'Cause I'm sitting on top of the world

She called me up from down in El paso  
Said come back, daddy, Lord I need you so

Ashes to ashes, dust to dust  
Show me a woman a man can trust

Mississippi River, long, deep and wide  
The woman I'm loving is on the other side

You don't like my peaches, don't you shake my tree  
Get out of my orchard, let my peaches be

Don't you come here running, holding out your hand  
I'll get me a woman like you got your man

# Will The Circle Be Unbroken

**G**  
I was standing by the window

**C**                      **G**  
On a cold and cloudy day

When I saw the hearse come rolling

**G**            **D**            **G**  
To carry my mother away

(CHORUS)

Will the circle be unbroken  
Bye and bye Lord bye and bye  
There's a better home a waiting  
In the sky Lord in the sky

I said to the undertaker  
Undertaker please drive slow  
For that body you are carrying  
Lord I hate to see her go

Well I followed close behind her  
Tried to hold up and be brave  
But I could not hide my sorrow  
When they laid her in that grave

I went back home Lord that home was lonesome  
Since my mother, she was gone  
All my brothers and sisters crying  
What a home so sad and alone

# You Are My Sunshine

Beyond the night dear as I lay sleeping  
I dreamed I held you in my arms  
But when I woke dear I was mistaken  
And I hung my head and I cried

(CHORUS)

**C**  
You are my sunshine, my only sunshine  
**F** **C**  
You make me happy when skies are gray  
**F** **C**  
You'll never know dear how much I love you  
**C** **G** **C**  
Please don't take my sunshine away

I'll always love you and make you happy  
If you will only say the same  
But if you leave me and love another  
You'll regret it all someday

You told me once dear you really loved me  
And no one could come between  
But now you've left me to love another  
You have shattered all my dreams

In all my dreams dear you seem to leave me  
When I awake my poor heart pains  
So won't you come back and make me happy  
I'll forgive dear I'll take all the blame

## A few notes on the songs

These songs can be played in any key. Most of these songs are made up of three chords: The I, IV, and V.

in the key of **G** the I, IV, and V chords are (G, C, and D)
